

# One Monkey Don't Stop No Show

Joe Tex

The show must go on  
Oh, one monkey  
Don't stop no show  
If you don't want my love  
You're free to go  
(You can go, you can go, you can go)

Life is a play  
We play different parts  
But to be a star in love  
You've got to feel it in your heart

You've been acting so strange  
You don't love me with soul  
Well, there's lots of other guys  
Who'd love to play your role

If you don't wanna be my leading man  
Get out of my life and let me live again  
(You can go, you can go, you can go)

Oh, the show must go on

Hey, one monkey  
Don't stop no show  
If you don't want my love  
You're free to go  
(You can go, you can go, you can go)

I said one monkey  
Don't stop no show  
If you really need our love  
You'd better let it show  
(Let it show, let it show, let it show)

Once we had a love  
You couldn't live without  
The greatest love that heaven  
Has ever put out

Success has gone to your head  
You wanna be free, yeah  
Fool, don't you realize  
Your backbone is me

If you no longer like your part  
Get out of my life before you ruin my heart  
(You can go, you can go, you can go)

Oh, the show must go on

I love you  
But I can do without you  
Arriba, arriba

You can go  
There's the door

You can go, you can go  
The show must go on

Hey, one monkey  
Don't stop no show  
If you don't want my love  
You're free to go  
(You can go, you can go, you can go)

I said one monkey  
Don't stop no show
