

# Woman Like That, Yeah

Joe Tex

Man give a woman plenty of lovin'  
Woman like that, yeah  
Man give a woman plenty of lovin'  
Woman like that, yeah

And when man seen woman cry  
Man go to her and dry her eye  
Man show a woman that he cares  
And the woman gonna be right there, yeah

But a man keep a woman long  
Man looks around and woman be gone  
Woah oh oh, man be all alone, oh yeah

Man tell a woman she look fine, oh shucks  
Woman like that, yeah  
Man take woman out sometime, huh  
Woman like that, yeah

Then when man has to go away  
Man woman won't go astray  
Man can leave with a satisfied mind  
That his woman gonna toe the line-ine-ine

But if man don't take woman out  
He's gonna have a lot to worry about  
Woah oh oh, some other man will take her out  
Yes he will, huh

Oh-oh

Man kiss woman sweet and slow  
Woman like that, yeah  
Man that makes woman love grow  
Woman like that, yeah

And if you love her let her know  
You'd be surprised how far that goes  
Man make a woman feel secure  
Woman will stick by him for sure, yeah

But man act like he don't care  
It's for sure he won't get no where  
Woah oh oh, woman will leave him sittin' right there  
Ha ha, oh yes she will

Woman like that, yeah  
Put your arms around her and hold her  
Oh shucks, woman like that, yeah  
Tell her she look fine, oh yeah
