## You Got What It Takes

Some boys say they like your eyes I heard some boys say They love the way they hypnotize Oh honey, I don't know What it is you got All I know is that you got what it takes Um, to take what I got

Oh now some boys say They love your walk I heard some boys say Just the other day They love your sweet baby talk Oh, I don't know I can't see what it is you got All I know is that you got what it takes Ooh, to take what I got Hah hah, yeah

Some boys say they love your smile I heard some boys say They love the way you just drive 'em wild Oh, I don't know I'm tryin' to figure out what it is you got All I know is that you got what it takes Ah, to take what I got
