

## Comin' Down

Joe Walsh

Comin' down, comin' round, to see you  
To see if maybe you know who I am  
Comin' down, comin' round, to see you  
Me again

I'm comin' down, comin' round, to see you  
To see if maybe you know who I am  
Comin' down, comin' round, to see you  
Me again
