

A Man Ain't Supposed To Cry

Joe Williams

Now she is gone, my heart is yearning
Her love is cold but mine keeps burning
All my eyes could weep but I've gotta keep them dry
'Cause the man ain't supposed to cry
The days are long, the night are madness
Where there was joy, now there is sadness
Torment and despair, they refused to pass me by
And a man ain't supposed to cry
Caught in a romance that never could be
Lost in a hopeless affair
Slave to her kiss will I ever be free?
I'd run away but where
If yesterday comes back to haunt me
The love I'd lost will ever taught me
Woman's right to tears will be her's until she'll die
But a man ain't supposed to cry
Slave to her kiss will I ever be free
I'd run away but where
If yesterday comes back to haunt me
The love I'd lost will ever taught me
Woman's right to tears will be her's until she'll die
But a man ain't supposed to cry
But a man ain't supposed to cry
