Canadian Sunset

Joe Williams

Once I was alone
So lonely and then
You came, out of nowhere
Like the sun up from the hills

Cold, cold was the wind Warm, warm were your lips Out there, on that ski trail Where your kiss filled me with thrills

A weekend in Canada, a change of scene Was the most I bargained for And then I discovered you and in your eyes I found the love that I couldn't ignore

Down, down came the sun

Fast, fast, fast, beat my heart

I knew when the sun set

From that day, we'd never ever part
