

## Ev'ry Day (I Fall In Love)

Joe Williams

Ev'ry day I'll fall in love all over again with you  
I'll never let our love grow old  
I'll always keep it new

Ev'ry day I'll let you know that my Valentine is you  
We'll live the sweetest story told  
Like honeymooners do

And each thing I do I'll do to prove to you  
That romance never will die  
It may be a word or a sigh, a gift that I'll bring  
And as the years go by

Ev'ry day I'll fall in love all over again with you  
I'll never let our love grow old  
I'll always keep it new

I'll never let our love grow old  
I'll always keep it new

We'll live the sweetest story told  
Like honeymooners do

And each thing I do I'll do to prove to you  
That romance never will die  
It may be a word or a sigh, a gift that I'll bring  
And as the years go by

Ev'ry day I'll fall in love all over again with you  
I'll never let our love grow old  
I'll always keep it new
