## Ev'ry Day (I Fall In Love)

Joe Williams

Ev'ry day I'll fall in love all over again with you I'll never let our love grow old I'll always keep it new

Ev'ry day I'll let you know that my Valentine is you We'll live the sweetest story told Like honeymooners do

And each thing I do I'll do to prove to you That romance never will die It may be a word or a sigh, a gift that I'll bring And as the years go by

Ev'ry day I'll fall in love all over again with you I'll never let our love grow old I'll always keep it new

I'll never let our love grow old I'll always keep it new

We'll live the sweetest story told Like honeymooners do

And each thing I do I'll do to prove to you That romance never will die It may be a word or a sigh, a gift that I'll bring And as the years go by

Ev'ry day I'll fall in love all over again with you I'll never let our love grow old I'll always keep it new
