

Let It Snow! Let It Snow! Let It Snow!

Joe Williams

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow! Let it snow! Let it snow!
It doesn't show signs of stopping
I brought some corn for popping
And turned the lights way down low
Let it snow! Let it snow! Let it snow!
When we finally kissed goodnight
How I'll hate going out in the storm
And if you really hold me tight
All the way home I'll be warm
The fire is slowly dying
And my dear, we're still goodbying
As long as you love me so
Let it snow! Let it snow! Let it snow!
Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow! Let it snow! Let it snow!
It doesn't show signs of stopping
And I brought some corn for popping
The lights are way down low
Let it snow! Let it snow! Let it snow!
When we finally kissed goodnight
How I'll hate going out in the storm
But if you only hold me tight
All the way home I'll be warm
The fire is slowly dying
And my dear, we're still goodbying
As long as you love me so
Let it snow! Let it snow! Let it snow!
Let it snow! Let it snow! Let it snow!
Oh, go on let it snow
