## **There Will Never Be Another You**

Joe Williams

There will be many other nights like this And I'll be standing here with someone new There will be other songs to sing, another fall, another spring But there will never be another you

There will be other lips that I may kiss But they won't thrill me like yours used to do Yes, I may dream a million dreams, but how can they come true If there will never ever be another you?

There will be other lips that I may kiss But they won't thrill me like yours used to do Yes, I may dream a million dreams, but how can they come true If there will never ever be another you?
