

# All the Things (Your Man Won't Do)

Joe

Hey, love  
You say you need someone  
To be there for you  
To love you all night long, huh  
It's kinda funny but  
I don't think you have to look no further  
Because I'm right here  
And I'm ready  
To do all the things your man won't do

Tell me what kind of man  
Would treat his woman so cold  
Treat you like you're nothin'  
When you're worth more than gold

Girl, to me you're like a diamond  
I love the way you shine  
A hundred million dollar treasure  
I'll give the world to make you mine

(La, la, la, la, la)  
I'll put a string a pearls right in your hand  
Make love on a beach of jet black sand  
Outside in the rain we can do it all night  
I'll touch all the places he would not  
And some you never knew would get you hot  
Nothin' is forbidden when we touch

Baby, I wanna do  
All of the things your man won't do (Every little thing)  
I'll do them for you (Whoa)  
Baby, I wanna do (Hey)  
All of (All of) the things your man won't do (Every little thing)  
I'll do them for you (Yeah)

I'll take you out on a night cruise  
On a yacht, just can't lose  
'Cause we got a lot to look forward to  
1-2, what ya gonna do  
What good is a diamond nobody can see it  
I hear he got you on lock down  
But I got the master key, yeah

(La, la, la, la, la)  
I'll light a thousand candles all around  
Show me to the subway, I'll go down  
Nothin' can be sweeter than the sound of makin' love  
Baby, when I start I just can't stop  
I'll love you from the bottom to the top  
Nothin' is forbidden when we touch

Baby (Baby), I wanna do (Hey...)  
All of the things your man won't do (Every little)  
I'll do them for you (Ooh...)  
Baby, I wanna do (I wanna do, yeah)  
All of the things your man won't do (Oh)  
I'll do them for you (Yeah)

And oh...oh...yeah...yeah...oh, yeah  
Oh

(La, la, la, la, la)  
I'll light a thousand candles all around  
Show me to the subway, I'll go down  
Nothin' can be sweeter than the sound of makin' love  
Baby, when I start I just can't stop  
I'll love you from the bottom to the top  
Nothin' is forbidden when we touch, ooh , yeah

Baby, I wanna do (Oh)  
All of the things your man won't do (I'm gonna, I'm gonna, oh, oh, oh, oh, o

I'll do them for you (Ho)  
Baby (Baby), I wanna do (I wanna do)  
All of the things your man won't do (And oh, yeah)

Ooh, I got a jones in my bones for you  
There ain't a damn thing that I won't do  
I'll make your body cream with my sex machine  
I won't stop until I hear your mother scream

Baby, I wanna do (I wanna do)  
All of the things your man won't do (Whoa, oh, oh, ho, ah, yeah, yeah, hmm)  
I'll do them for you  
Baby, I wanna do (Wanna do)  
All of the things your man won't do (Yeah, whoa...whoa...)  
I'll do them for you (I wanna do it for you, baby)
