

Almost There

Joe

How we go from friends, into lovers.
How we go from friends, into lovers.
tell me that (tell me that)
How we go from friends, into lovers.
you kiss me first and i discover.
and from now, there is no other.

Started as friends, but now my heart says different.
all weekend, all day long we kick it.
how did we go from there, to here?
(yeah)
now you could say what you want, but i know you feel it.
truth be told, you and me, we'd kill it.
how i'm really tryin' to find my way to you baby (yeah)

When I reach out for your hand,
girl you'd be right there.
and baby that's how i know I am

I'm almost there
(close to your heart, baby)
I'm almost there
(I was never too far from it)
I'm almost there
(I'm almost right where I wanna be)
I'm almost there

Whatever you ask, then you know i'm with it.
if i ain't at home, then i'm with you chillin'.
how did we go from there, to here?
and my homies say, "joe homeboy you trippin."
but they ain't the one that's gettin' the love you've given.
girl, i'm really tryin' to find my way to you, baby.

When I reach out for your hand, girl you'd be right there.
and baby that's how i know I am...

I'm almost there
(close to your heart, baby)
I'm almost there
(I was never too far from it)
I'm almost there
(I'm almost right where i wanna be)
I'm almost there

Hey,
'cause shawty you my baby
we done been through thick and thin in the rain together.
and girl, i'd be crazy
(to not have you around)
and let another man just catch ya.
oh girl,
call me the heart reader,
i can read the pages of your heart.
and baby, step-by-step, I'm-a climb your stairs.

don't worry baby, baby

I'm almost there
I'm almost there
I'm almost there
I'm almost there
(almost)

I'm almost there
(I'm almost right where i wanna be)

I'm almost there
(straight to your heart, baby)
I'm almost there
(I was never too far from it)
I'm almost there
(i'm almost right where i wanna be)
I'm almost there
