

# Baby

Joe

Baby, baby, baby  
Baby, baby, baby  
Baby, baby, baby  
Baby, baby, baby

Have a seat we need to talk Its the real thing  
You been knowing me a long time things sort of changed  
In the position leave and I gotta ball out pop bottles of dom until they all  
out  
with me I'm fly high check out the feathers  
this time its another Lifes lesson more money more problems its already been  
told see I got two lovers let the story unfold

See this 1 is kinda crazy  
I'm love with two different ladies  
I know its wrong but they both so amazing now I can't decide if I should do  
the right thing and let them both know nobody said it'll be an easy one so b  
aby be my

Baby, baby, baby  
Baby, baby, baby  
Baby, baby, baby  
Baby, baby, baby

Have a seat we need to talk Its the real thing  
You been knowing me a long time things sort of changed  
In the position leave and I gotta ball out pop bottles of dom until they all  
out  
with me I'm fly high check out the fella's  
this time is another Life's lesson baby more money more problems its already  
been told see I got two lovers let the story unfold

Sometimes I think I'm the son of king Solomon  
but two beautiful girls is a problem maybe I'm in for a surprise  
a double love affair tonight and knowing she's do anything for her man do it  
all and be a bad girl I got two lovers won't be no war its be love tonight

Baby, baby, baby  
Baby, baby, baby  
Baby, baby, baby  
Baby, baby, baby

Have a seat we need to talk Its the real thing  
You been knowing me a long time things sort of changed  
In the position leave and I gotta ball out  
pop bottles of dom until they all out  
with me I'm fly high check out the fella's  
this time is another Life's lesson baby more money more problems its already  
been told see I got two lovers let the story unfold

Have a seat we need to talk Its the real thing  
You been knowing me a long time things sort of changed  
In the position leave and I gotta ball out pop bottles of dom until they all  
out  
with me I'm fly high check out the feathers  
this time its another Lifes lesson more money more problems its already been  
told see I got two lovers let the story unfold

Have a seat we need to talk Its the real thing  
You been knowing me a long time things sort of changed  
In the position leave and I gotta ball out  
pop bottles of dom until they all out  
with me I'm fly high check out the fella's  
this time is another Life's lesson baby more money more problems its already  
been told see I got two lovers let the story unfold

[Repeat until fade:]
