

# DoubleBack

Joe

I wish that I had given everything I had to give  
I don't wanna be without you  
You're the only reason that I live  
I never realized how much I missed you  
Until the day you were gone gone gone

I should have told you (I love you)  
Showed you (I love you)  
Took every chance to stand behind you  
And now you're gone and all I can do is

Doubleback  
We gotta doubleback  
Found myself again in the wrong direction  
GPS love is a lost connection  
Now I gotta turn around  
Doubleback  
If I'm gonna find your affection  
Then I need to doubleback

I really could have treated you better  
I could've been a better man  
But I had with you was precious  
I really didn't understand  
I just couldn't see it coming  
You started makin other plans, other plans

I should have told you (I love you)  
Showed you (I love you)  
Took everything to stand behind you  
And now you're gone and all I can do is

Doubleback  
Gotta doubleback  
Found myself again in the wrong direction  
GPS love is a lost connection  
Now I gotta turn around  
Doubleback  
If I'm gonna find your affection  
Then I need to doubleback

No one else I've seen is good enough  
So I finally reach the point of giving up  
I don't know what else to do  
Could it be another you?  
So until then I gotta...

Doubleback  
Gotta find my way back  
Found myself again in the wrong direction  
GPS love is a lost connection  
Now I gotta do...  
Doubleback  
If I'm gonna find your affection  
Then I need to doubleback

Doubleback

Gotta doubleback  
Found myself again in the wrong direction  
GPS love is a lost connection  
Now I gotta turn around  
Doubleback  
If I'm gonna find your affection  
Then I need to doubleback

Doubleback  
A way to find myself  
Found myself again in the wrong direction  
GPS love is a lost connection  
Now I gotta turn around  
Doubleback  
If I'm gonna find your affection  
Then I need to doubleback
