

## Good Girls

Joe

Babygirl, alright  
I gotta find me a girl  
Whoa ohhhhh...  
Alright now

Sunshine  
From the first time that we met  
Helpless  
You took my heart I must confess  
Deep in your eyes  
There seemed to be a look that said  
Hello, is it me you're searching for

Suddenly my sunshine turn to rain  
I dunno if it'll ever come back again  
That's what you are sunshine and rain  
You didn't say you had a man  
That never belonged within your plans  
And it hurts so bad  
Someone tell me

Why are all the good girls, taken everytime  
And why do I keep falling for  
Someone else's dime  
Everytime I says Hello  
Then they say Goodbye  
So why are all you good girls  
Taken everytime....  
Taken everytime...

Dancing  
With your body close to mine  
Then you kiss my lips girl  
Girl I thought it was a sign  
I want you forever  
But good intentions never win  
I've got that feeling  
Tonight I'll be alone again

Suddenly my sunshine turned to rain  
I dunno if it'll ever come back again  
Thats what you are sunshine and rain  
You didn't say you had a man  
That never belonged within your plans  
And it hurts so bad  
Someone tell me

Why are all the good girls, taken everytime  
And why do I keep falling for  
Someone else's dime  
Everytime I says Hello  
Then they say Goodbye  
So why are all you good girls  
Taken everytime....

Why are all the good girls, taken everytime (somebody tell me)  
And why do i keep fallin for

Someone else's dime  
Everytime I says Hello (hello)  
Then they say Goodbye (please baby)  
So why are all you good girls (why)  
Taken everytime...

Whooooaaa Ooohh  
I gotta believe  
There's a Rony for me  
Somewhere in this world  
I'm not gonna stop  
Gonna search till I drop  
Till I find that girl  
I gotta believe  
There's an rony for me  
Somewhere in this world  
I'm not gonna stop  
Gonna search till I drop  
Till I find that girl...

Why are all the good girls  
Taken everytime  
And why do I keep falling for  
Someone else's dime  
Everytime I says hello  
Then they say Goodbye  
So why are all you good girls  
Taken everytime.....

Why are all the good girls  
Taken everytime  
And why do I keep falling for  
Someone else's dime  
Everytime I says hello  
Then they say Goodbye  
So why are all you good girls  
Taken everytime...
