

Intro (My Name Is Joe)

Joe

A sexy whisper every time we kiss,
One sonnet gives you all the things you miss.
Through faded pictures you know, my name is Joe.
(5,6,3)

Caress your body like a melody.
You scream my name just like a symphony.
I want you lady, hello...
My name is Joe.
(What's my name? What's my name?)

Joe...
(What's my name? What's my name?)
My name is Joe.
Please don't go.
(Baby, don't go)
