

It Ain't Like That

Joe

Everytime i turn around you got a quiz where you at where you going where you been. Well i guess you that been talkn' to your friends here we go again. So mebody said somebody saw me drop a shorty at the curb she had low rise jeans and some curves. I swear to god it wasn't me that's my word. I don't care what they say no.

I'm not the only one with a cranapple benz. Drop stop sitting on. I was a player. Now that we're together boo, I ain't crushin no one but you. Everytime i go you start to trip. Thinkin' i be with some other chik. Worryin' about things that don't exist girl it ain't like that. I used to have a black book thats for sho, but i don't c all the numbers anymore cuz i'm your man baby you should know girl it ain't like that it ain't like that.

Think about it when you met me girl you know my game was tight had my choice of any women that i liked. then i met somebody special in my life till i saw you baby. Told you then better be careful what you're hearing from your friends that they try to come between us in the end. Cuz i chose to be with you not one of them. That's what it is baby.

Im lookin' when i come off the grind (you're the one).. and look girl you've got all my time (you're the one). I'm choosin out my baby the one i make my lady. Even though you drive me crazy (you're the one). Whose name is on my bank account. Who spends my cash in large amounts. Look at your finger girl, look how it's blinging girl. Normally the things you burn.

Everytime i go you start to trip thinkin' i be with someother chick. Worryin bout things that don't exist girl it ain't like that. I used to have a black book that's for sho. but i don't call the numbers anymore, cuz i'm your man baby you should know girl it ain't like that.
