

# Life of the Party

Joe

I Don't Wanna Believe That it's Over

You Might See Me Smiling  
But Inside I'm Dying  
Too Proud To Let It Show  
I Ain't The One  
You won't See Me Crying  
But it's Hard To Let It Go  
All My Time On The Tour Bus  
Wasn't Good For Us  
And Then You Throw It All  
Started Getting Around With A Few Choice Chicks  
But We Had Something Special  
Plus The Sex Was Sick

Do You Remember  
From The Bed To The Wall  
On The Floor By The Fireplace  
I Know You Remember  
On The Truck Couldn't Wait  
So We Got Off On The Garden State  
Somehow We Must Of Got All Turned Around On Last Freeway  
Now I Cant Find My Way Home To You  
Oh Girl

Still  
I Get Love In The Hood  
Still  
Acting Like My Life Is All Good  
Still  
Putting Up A False Bravado  
When I Lost You I Lost My Winning Ticket To Lotto  
Still  
Everytime I Raise My Glass  
I Try To Drink Away My Past  
To The World I Might Appear To Be The Life Of The Party  
But They Don't See Me

I Never Thought I'd Be The One Missing  
Oh, I Can't Take This Emptiness  
And I Can't Keep Going On Like This  
And I Can't Keep Pretending That This Don't Hurt Like A Mother Babe  
I Know That it's Crazy For Me To Come Over  
I Had To See You  
I Know I Gotta To Change Girl  
I'll Do That Quick  
You Need To Take Me Back Cause The Sex Was Sick

Remember When We Used To Ride The Bus  
Girl How We Came Up  
Money, career, Chicks And All That  
Id Give It Up Just To Have You Back  
'Cause Money's Only Paper Girl  
And This House Don't Feel Like Home When I'm Alone  
Whenever You See Me  
Baby Remember

You all Don't See  
You Only See What You See On The TV  
This Is My Reality  
Girl You'll Get To Know Me
