

Love's Greatest Episode

Joe

It's you're world premier tonight
Can't wait to see you
Double exposure under candle light
Wear something see through
See girl what we did last night
Was just a preview
This is the love scene part to
The sequel gets ready
Ooo baby O baby baby
Let's make a DVD
Watch it over and over and over and over
On plasma TV
Body's shadow boxing on the wall
Standing ovations curtain call
And after every More more
It's the making of the love's greatest episode
From the bed to the wall
On the floor by the fire place
Make a night to remember
Years from now
We can still replay
Do it once then again
Till that perfect take
You've got the leading roll
In love's greatest episode
The night is full of possibilities
Anything goes
You play your roll
Be what you wanna be
I'll go with the flow
What we did last night
Was beautiful
Now let's go from beautiful to unbelievable
Ooo baby O baby
Let's make a DVD
Watch it over and over and over and over
On plasma TV
Body's shadow boxing on the wall
Standing ovations curtain call
And after every More and more
It's the making of the love's greatest episode
From the bed to the wall
On the floor by the fire place
Make a night to remember
Years from now
We can still replay
Do it once then again
Till that perfect take
You've got the leading roll
In love's greatest episode
Unzip you dress now baby
Before I hit the door
I'll be all up in you baby
Before it hits the floor
Neighbors say I wanna know
What the hell she screaming for
I'll give you all the things

You'll beg for more and more
From the bed to the wall
On the floor by the fire place
Make a night to remember
Years from now
We can still replay
Do it once then again
Till that perfect take
You've got the leading roll
In love's greatest episode
Repeat
Lights camera action
[Adlib]
Let's go
Make a night to remember
From the bed to the walls
