

# Magic City

Joe

I was looking for love  
Was looking for love  
In all the wrong places  
I was looking for love  
I was looking for love  
In Magic City  
I was looking for love  
Was looking for love  
In all the wrong places  
Oooh

I never be considered a trick in my life,  
Bring a couple bad girls then I just might  
Tip her, if your stripping I'm tipping  
I got a couple of dollars I'm spending  
If she got ass and nice long legs,  
She can have a piece of my bread  
Cause honestly I'll do anything for love  
Not tryna fall for anything.

Cause I was looking for love  
Was looking for love  
In Magic City  
In the long run  
When you do it like that,  
Your gonna be all alone  
I was looking for love  
Was looking for love  
In all the wrong places

Every dollar when your living like that  
Your gonna be all alone  
I don't care when it comes to love I been treated unfair  
It seems to escape me homie be out to bang  
I wasn't ready for love  
I was so up and down  
In and out  
Up and down  
Left me on a ride going nowhere fast  
Every girl I had  
They might of had  
What it takes  
But I'm all alone

I was looking for love  
Was looking for love  
In Magic City  
In the long run when you do it like that,  
Your gonna be all alone  
I was looking for love  
Was looking for love  
All the wrong places

I spent all my money on her,  
Tonight I'm a be all alone  
See I'm no fool  
But I been dealt some really hard cards

But I'm used to losing  
It's like a battle trying to get too my heart  
But hears the way I look at it  
It's gonna be someone for me  
I'm gonna give my all  
And now I'm gonna be easyyy and stay patient

I was looking for love  
Was looking for love  
In Magic City  
In the long run when you do it like that,  
Your gonna be all alone  
I was looking for love  
Was looking for love  
All the wrong places
