Down the shades they're gonna  
Be like down for days clothes  
Off for a private dance tonight  
I wanna take you down naughty  
Street tonight

Baby let's keep it private cause  
Were getting ready to ride it  
Ecsatcy on the balcony going down  
For more on the kitchen floor  
Slipping and sliding I want you  
To ride it on my knees I'll have  
You screaming wait, wait, wait  
Don't let it go

Don't you wanna come along for the  
Ride of your life (somebody) somebody's  
Gotta be on top coco butter skin I can't  
Wait till I get in your body somebody's  
Gotta be on top

Right now I think I I'm gonna shut this  
Party down. There's a sequel to the show  
Come on i gotta let you know admission

Someone to break me off lets stick it  
To the bed get it nice and wet never

Looking for the softest place on earth  
Someone to break me off I'll kiss you on  
Your neck than down your back doing it  
All night long like insomniacs lookin  
For the softest place on earth someone

To break me off take the pillows off the  
Couch put them on the floor give it to you  
Nice and strong make you scream for more  
Lookin for the softest place on earth  
Someone to break me off if your feeling me  
Like I'm feeling you get on top of me
