## **Something for You**

(Hey!) Yea (Hey!) Yea Okay (Hey!) I think we ready (Hey!) Pretty little thing you are Pretty little thing, you're my superstar You're my superstar It's been a couple weeks And I wanna be A little closer That might be where we are Don't play tonight, baby Not a fantasy but reality You and me like a work of art baby Oh, I wanna get next to you You got it baby, got the game on smash I'm so fly, I'm so special You burn your fire bad and you got a lot of class You ain't seen my show, you don't know that I got a little something for you (A little something for you) Just relax, lay back Do your thing girl, do your thing girl Go, uh I got something for that That body ... mm so bad I think we make a perfect match Let's not waste time no more Have a glass of wine, one for your love Now I see it in your eyes, baby Like you wanna make love I be running right through your tunnel of love And carefully I ride to the end And do it all over again (go!) You got it baby, got the game on smash I'm so fly, I'm so special Girl you're the baddest I've ever seen but you're missing out You ain't seen my show, you don't know that I got a little something for you (A little something for you) Just relax, lay back Do your thing girl, do your thing girl Go, uh I got something for that That body ... mm so bad I think we make a perfect match Let's not waste time no more Girl come closer, I wanna be

All over you, all over me

Hey, if you like, you'll be... Shine over love and cuts through deep It's the point of ecstasy Baby let me show you, you don't know that

I got a little something for you (A little something for you) Just relax, lay back Do your thing girl, do your thing girl Go, uh I got something for that That body... mm so bad I think we make a perfect match Let's not waste time no more
