

## Wanna Be Your Lover

Joe

I'm feenin' for you girl, I got it bad  
You turn me on when you walk like that  
For heaven sake  
Your body is perfect in every place  
Think God broke the mold when he made  
The most beautiful girl that I have ever faced  
I wanna give you lovin' all day  
Then give it to you all night

When you call, just say J  
Ya burnin' for lovin'  
I'll heat it up just like a oven  
I wont stop, stop, stop, 'til your screamin' out  
That I'm all that you need  
Cuz I, wanna be your, wanna be your, wanna be your lover  
And I, wanna be your, wanna be your, wanna be your lover
