

What's on Your Mind

Joe

Baby what's on your mind?
Stop wasting all this time
Baby what's on your mind?
Stop wasting all this time

Oh baby, I've got this feeling
You're holding back on me
By the way that you've been acting
It's not so hard to see
If there is something that you really want to say
Come on and tell me there is no reason to be afraid

I've never given you a reason to be afraid of me
Always thought that you and I were closer than two could ever be
But something's going wrong with you
You're acting very strange
Please tell me what it is
That's got you feeling this way
