

# You Should Know Me

Joe

Ladies And Gentleman  
Id Like To Take Yall Back  
Back To The Future  
When We Used To Slow Jam At The Parties  
So Fellas Grab Your Lady And Take Her To The Dance Floor  
You Already Know

I Remember When We Had So Much Trust  
And Nobody Couldnt Become Between Us  
Do You Remember  
Now You Listening To He Said She Said  
And They Keep Putting Thoughts In Your Head All The Time

Girl Your Heart Is Filled With So Much Doubt  
Cause You Think That Ive Been Playing You Out

Girl You Should Know Me  
Know Me By Now  
I Would Die Before I Hurt You  
You Should Know Me  
Know Me  
And I Will Never Let You Down

You Believe That Ive Been Getting Down  
With Your Friend When Youre Not Around  
Now Why Would I Do It Baby  
I Dont Deny That There Is Some Attraction  
But They Lie About My Reactions  
I Could Never Never Hurt You Baby  
Never Never Never

If You Could Look Inside Of Me  
Before You Start Your 3rd Degree  
You Would Know Exactly How I Feel  
No One Else Can Take Your Place  
I Love You More More And More Each Day  
Dont You Let Them Take Away This Love That We Have Baby

Why Would I Give You My Credit Card  
If I Really Didnt Love You Baby  
Why Would I Buy You A Diamond Ring  
If I Really Didnt Love You Baby  
If You Wanna Know  
If You Really Really Really Really Want To Know  
Dont Ask My Neighbors  
Cause Baby They Dont Know What They Saying  
All You Gotta Do Is Ask Me Girl  
And Ill Let You Know  
I Will Let You Know  
Yes I Will
