

## White Mercedes

Joel Faviere

You love me cause I'm right brained.  
You fuck me like you're insane.  
I like you cause' you're sorry.  
Always wantin' warnings.  
Neva eva calling.  
Waitin' for good morning.  
(Good morning, baby)  
I'm high, I'm sorry.  
I'm high, I'm soaring.  
(don'cha forget)  
I mean it.

When I'm comin' down.  
(White mercedes)  
Theres always a lady,  
Theres always a lady.  
When I'm comin' down.  
(White mercedes)  
Theres always a lady,  
There she is shes waitin.

I think I'll letcha' back in.  
I think you learned ya' lesson.  
My gorgeous is foriegn.  
Outside its snowin'  
It ain't even winta'  
Peppermint kiss  
on ya' blisters.

I don't wanna lie to your face.  
All I fuckin' wants' my escape.  
(okay)  
I got cash on the way,  
lemme light up your place.

When I'm comin' down.  
(White mercedes)  
Theres always a lady,  
Theres always a lady.  
When I'm comin' down.  
(White mercedes)  
Theres always a lady,  
There she is shes waitin.
