See that the team is fed  
When it gotta go down  
You aim beam at his head  
Then you Block Royal.  
It ain't easy being a rider  
But I guess sometimes you  
Just gotta do wha you gotta.  
We're not guaranteed a tomorrow  
But when you royalty on the block you dyin with honor.

Who practically own your jeans  
Play up in X-Bar and deep with Prostyle and Camillo we rep hard.

Shorty ugly but her booty is tuff  
And I stays after ass I have ta have sumthin with a bounce  
Like a track from Dre at Aftermath.  
Somebody said let's slide to Ringside,  
It's poppin a 2-Tone

Clockin tha way we move  
Rockin tha crazy jewels  
But God forbid they should plot  
We'll be poppin with eighty-two's.  
They don't call him A K fa nuthin  
What you thinkin bout  
He'll lay sumthin down in New York  
And take the Lincoln out.  
All the way down ta Sweets get a shape up and eat  
Call Big Joe walk right in y'all been on line fa weeks.
