They same thing we do every night Pinky

[Hook]

Aye yo who the fuck passed you the mic  
And said that you could flow?  
Point 'em out bitch I wanna know  
Who the fuck passed you the mic?

Check!

Puffing stramonium underground like pieholes  
Look on their flasshole  
These bars like writing espressioni  
And these folks are for custodians  
Homeless man only goldregen do  
Risin' at my laptop looking at  
Ref on opium truth  
They like to throw you in room  
I'm like if only you knew  
I'm only in school for cosmology  
That's why I act as lonely as you  
You see I'm wise behind my years and my past  
And my voice over the stairs  
Is the only way they hear  
With a copy on my membrane  
But I've been smoking chem strain  
So lately I've been having hard times  
With remembering  
And be patient, my flood is proving  
Gipsies ain't shit  
'Cause I believe that we could be like Neo in the Matrix  
But fuck it I'm a rap it momma likely and adequitly  
'Til I drove into static with my slimatic anatomy  
And come out into in PD with fugitives at blue prison hill mad is  
I've been going roll, this shit's how I feel rappin'  
You get y'all serve chapters so I can't even guess this  
We taught you how to be proten but still it's acting in messes  
Y'all better get back your asses  
'Cause we 'bout to annihilate  
My empire gate seem the Empire State  
I'm on now on your platform  
Look at the way they clap for 'em  
Never fuck with funny man  
'Cause I don't like my back tone  
Nigga ain't squat, diss that top  
You ain't used too  
Keep it neutral, just so you can scoop through  
No beef like nunu's  
Keep it neutral, just so you can scoop through  
I tell 'em  
No beef like nunu's  
It's world domination, nation

You're tuned in to my station  
Always go to do be in the motherfucking anthem  
Always got the trees, so what the fuck you mean  
I ain't about to rise to the top  
With my fucking world domination, nation  
You're tuned in to my station  
Always go to do be in the motherfucking anthem  
Always got the trees, so what the fuck you mean  
I ain't about to rise to the top  
With my fucking team

[Hook x2]
