

# Here We Go Again

Joey McIntyre

I found it hard to pretend  
that this has come to an end  
Just when I thought I was out they pulled me back in

It always happens like this  
Just when I start to forget  
I try it on all over again and it fits so perfect

Back in headlines, in the papers  
Hangin on ? he's such a loser  
When is that kid ever gonna grow up?  
No, I don't wanna grow up!

Here we go again  
I'm a man on a mission baby  
Here we go again  
Are you gonna be there for me now?

Here we go again  
La La La love  
Here we go again  
Hey Hey Hey Hate

Here we here we go again  
Here we go again  
Oh, here we go again

I don't know if this is for me  
Am I at the wrong party?  
If I am, I'm not gonna leave  
Cuz it's screamin my name

Back in headlines, see what he did  
Comin up he's such a cool kid  
No that boy won't ever give up  
I never give up

Here we go again  
I'm a man on a mission baby

Here we go again  
La La La love  
Here we go again  
Hey Hey Hey Hate

Here we here we go again  
Here we go again  
Oh, Here we go again

I think it's time to get out of here  
No one seems to know me now  
then you pull me back and you push me forward  
to where I wanna go

Hey hey hey ya ya ya!

Here we go again

I'm a man on a mission baby

Here we go again

La La La love

Here we go again

Hey Hey Hey Hate

Here we here we go again

Here we go again

Oh, Here we go again

Repeat chorus

Here we go again, [repeat x3]
