

# I'm Waiting

Joey McIntyre

I'm so hot and long  
I've been waiting  
A cup of tea to  
cool me down  
I can't look again  
outside the window  
and the fan just  
keeps on spinning  
round n round

(I'll keep it cool)  
Telling you do  
what you gotta do  
(But I die inside)  
Everytime I'm hanging  
on the line

5 days 6 hours 10 minutes  
I'm waiting  
If you don't come soon  
I'm-a have to help myself  
There ain't too many girls  
that are gonna keep me  
waiting (tick tock)  
if your love wasn't great  
i would have  
to hate myself

Phone rings and  
I come rushing  
but its just a bill  
collector on the phone  
Slowly down my face  
the sweat keeps running  
You got a grown man  
crying like a baby  
left all alone

(I'll play the fool)  
Schedule time but  
never schedule mine  
(Please don't be cruel)  
Let me know cos  
I'm about to blow

I can see us  
on a crowded street,  
but we're all anone  
You and I were  
meant to be,  
but you may have  
heard that before
