

One Night

Joey McIntyre

When I look at you
You look so irresistible
When I see you there
I never seen a girl so beautiful
And I say
I know you never met a gentleman like me
Cuz I will do you right
Treat you right, girl
When you are alone with me

So c'mon and give me
One night
That is all I ask of you
One Night
And I will show my world to you.

Listen closely girl,
I want to be clear to you, girl
That I'll always be there
For you girl.
And day, any night, all the time

Girl if you're willing
Then we should be chillin'
Tonight, tonight, tonight

One night (4x)
Let's get together, babe
One Night.
