

Outta Nothing At All

Joey McIntyre

How does this happen
How does this work
I'm thinking maybe
this could be it
All of the problems
through all the hurt
I think we lost
what happiness is

Why don't we dance
The way that we used to
Girl we could move
We had a ball
But you changed the music
and now I'm stranded
on the floor

I'm not listening
You won't listen
Hello..
but you don't hear me though
I keep talking
But you keep walking... Hello
But you don't hear me no
You got what you want
Yeah you took it from me
Now you're ready to leave
out of nothing at all
We could turn this around
We can still work this out
Make you believe
Out of nothing at all

I wanted something
You wanted more
More than I was willing to give
I should be leading
But who's keeping score
Cos now I'm thinking
nobody wins

Why don't we dance
The way that we used to
cos girl we could move
We had a ball
But you changed the music
so tell me what I'm waiting for

We used to talk
and listen in
When we started out
Out of nothing at all
