

# Stay The Same

Joey McIntyre

Don't you ever wish you were someone else,  
You were meant to be the way you are exactly.  
Don't you ever say you don't like the way you are.  
When you learn to love yourself, you're better off by far.  
And I hope you always stay the same,  
cuz there's nothin' 'bout you I would change.

I think that you could be whatever you wanted to be  
If you could realize, all the dreams you have inside.  
Don't be afraid if you've got something to say,  
Just open up your heart and let it show you the way.

Believe in yourself.  
Reach down inside.  
The love you find will set you free.  
Believe in yourself, you will come alive.  
Have faith in what you do.  
You'll make it through.
