

## Cabin Fever

Joey Ramone

Looking outside, watching  
the traffic go  
Feeling uptight, baby, what's  
come over me?  
Sitting in bed thinking about  
Metallica  
Feeling half dead, baby,  
what's come over me?  
Sitting in bed thinking about  
Metallica  
Feeling half dead, baby,  
what's come over me?  
Looking outside, watching  
the traffic go  
Feeling uptight, baby, what's  
come over me?
