

I Couldn't Sleep

Joey Ramone

Well I was slipping I was slopping, I was reeling and a-rocking
I couldn't sleep at all last night
Well I was tossing I was turning, I was rocking and a-bopping
I couldn't sleep at all last night
Put on my MTV the chirping birds will leave
Oh Oh I couldn't sleep

Well I was flipping I was flopping, like a fish out of the water
Rocking around And baby yea yea yea yea
Swoop swoop I was looping a loop
Cutting the rope but no such luck
Somebody help me please, I'm begging on my knees
Oh I couldn't sleep

I said baby baby baby baby baby
Oh couldn't sleep at all
Said baby baby baby baby baby
I couldn't sleep at all
Somebody help me please, I'm begging on my knees
Oh I couldn't sleep Yea-a

I couldn't want to do it no, I didn't want to try
I didn't want to see you baby, baby my my my my my my

Well I was slipping I was slopping, I was reeling and a-rocking
I couldn't sleep baby yea yea yea, Walking the dog
I couldn't sleep Oh no no no no
Somebody help me please, I'm begging on my knees yea
I couldn't sleep
