

Waiting for that Railroad

Joey Ramone

Sitting here
Thinking of you and I'm
Waiting for that railroad to
go home
Whoah oh oh oh
Sitting here (Sitting here)
Thinking of you and I'm
Waiting for that railroad to
go home
Whoah oh oh oh oh
Sitting here (Sitting here)
Thinking of you and I'm
Waiting for that railroad to
go home
Whoah oh oh oh oh
There's been so many
memories, places that we
shared
I don't know what I'll do if
she's not there, there
Whoah oh oh oh
Sitting here (Sitting here)
Thinking of you and I'm
Waiting for that railroad to
go home
Whoah oh oh oh
Sitting here (Sitting here)
Thinking of you and I'm
Waiting for that railroad to
go home
Whoah oh oh oh oh
