

Born To Be Your Woman

Joey + Rory

You're my man, and I'm your woman
Where you lead me, I will go
I will stand strong beside you,
No matter how hard the wind might blow
Our love will last forever,
Like this diamond on my hand
Cause I was born to be your woman,
And you were made to be my man

You're the breath in my body
You're the blood that's in my veins
You're my strength when I grow weary
You're my shelter when it rains
Our love will last forever,
Like this golden wedding band
Cause you was born to be my woman,
And I was made to be your man

We are bound by God forever
We're part of a bigger plan
Cause I was born, to be your woman
And I was made, to be your man
