Born To Be Your Woman

You're my man, and I'm your woman Where you lead me, I will go I will stand strong beside you, No matter how hard the wind might blow Our love will last forever, Like this diamond on my hand Cause I was born to be your woman, And you were made to be my man

You're the breath in my body You're the blood that's in my veins You're my strength when I grow weary You're my shelter when it rains Our love will last forever, Like this golden wedding band Cause you was born to be my woman, And I was made to be your man

We are bound by God forever We're part of a bigger plan Cause I was born, to be your woman And I was made, to be your man Joey + Rory
