

Superhuman

Joey Tempest

It hurts me to lean on you what can I say
nothing I know suits me so fine I take the blame
all I can see right now is that its dark
and I've lost your heart

we're still waiting for the one
we're still falling for a superhuman
keeps our hearts from moving on
we're still dreaming of a superhuman now

shallow beliefs I know tell me I'm wrong
are you happy now as I know that you are strong
I'm sorry 'bout something but I don't seem to know
how to let you go

we're still waiting for the one
we're still falling for a superhuman
keeps our hearts from moving on
we're still dreaming of a superhuman now

you better believe in something before you go
