

# Superhuman

Joey Tempest

It hurts me to lean on you what can I say  
nothing I know suits me so fine I take the blame  
all I can see right now is that its dark  
and I've lost your heart

we're still waiting for the one  
we're still falling for a superhuman  
keeps our hearts from moving on  
we're still dreaming of a superhuman now

shallow beliefs I know tell me I'm wrong  
are you happy now as I know that you are strong  
I'm sorry 'bout something but I don't seem to know  
how to let you go

we're still waiting for the one  
we're still falling for a superhuman  
keeps our hearts from moving on  
we're still dreaming of a superhuman now

you better believe in something before you go
