Superhuman

Joey Tempest

It hurts me to lean on you what can I say nothing I know suits me so fine I take the blame all I can see right now is that its dark and I've lost your heart

we're still waiting for the one we're still falling for a superhuman keeps our hearts from moving on we're still dreaming of a superhuman now

shallow beliefs I know tell me I'm wrong are you happy now as I know that you are strong I'm sorry 'bout something but I don't seem to know how to let you go

we're still waiting for the one we're still falling for a superhuman keeps our hearts from moving on we're still dreaming of a superhuman now

you better believe in something before you go
