

Goodnight

John 5

Where do we ever get the idea that in the world of God it would be a flowery bed of ease?

I'll tell ya, I don't encourage you to go devil huntin', but I always worry about those people goin' devil huntin', people always lookin' for one to cast out.

If he does show up, I'm not gonna run from him, I'm not gonna break down from him.

So there, in the will of God can arrest him, throw him in jail. It's midnight, and I'm hurting.

The silent says, "what are we gonna give him?"

And the devil says, "we're gonna give him insomnia."

"I like your spanish," he said.

If I can't sleep, the devil's surely not going to sleep either.

Let me tell ya how to deal with the devil one on one:

When I can't sleep, I'll take out The Book, I'll walk the floor

.

Praise God.

Praise Jesus.

Start tormenting the Devil, and you'll see how sleepy you'll get.

And some will wake up at three in the morning, and you can't sleep, start walkin' the floor, say "The Lord is in control. The Lord is in control."

And if you can't sleep, play God's music, and play it loud, and you will see how sleepy he gets.

These people are always huntin', people always lookin' for one to cast out.

And if he does show up, I'm not going to run from him, I'm not going to back down from him.
