

Missing Her Again

John Anderson

If you see me talkin' to myself
I'm just missin' her again
If I seem a little lost, a little upset
I'm just missin' my best friend

I thought I'd be over it by now

I can't get myself together
She's a storm that I can't weather
I'll be doin' better and then
I start missin' her

I go to pieces one more time
Think about her and I lose my mind
I'll be doin' just fine and then
I start missin' her again

If you see me starin' out in space
I'm just missin' her again
Even though I know she is in a better place
I'm still missin' my best friend

I thought I'd be over it by now

But I can't get myself together
She's a storm that I can't weather
I'll be doin' better and then
I start missin' her

I go to pieces one more time
Think about her and I lose my mind
I'll be doin' just fine and then
I start missin' her

I go to pieces one more time
Think about her and I lose my mind
I'll be doin' just fine and then
I start missin' her again
