

## Who's Who

John Anderson

Am I lover?  
Am I friend?  
Think it over  
Is it me or him?  
Am I a fool  
Or could I be wrong?  
Do I have a reason  
To keep hanging on?

Who's who?  
What's what?  
Will I be blue?  
Will he not?  
Please tell me  
Girl, I need to know  
What to do  
Who's who?

Are you certain  
Or are you confused?  
Are you just being kind  
By not telling me we're through?  
Has he won your heart  
Or do I have a chance?  
Lay it on the line  
Let me know just where I stand

Who's who?  
What's what?  
Will I be blue?  
Will he not?  
Please tell me  
Girl, I need to know  
What to do

Who's who?  
What's what?  
Will I be blue?  
Will he not  
Please tell me  
Girl, I need to know  
What to do  
Who's who?  
Who's who?
