

## Both Sides Now

John Barrowman

Rows and flows of angel hair, and ice cream castles in the air  
And feathered canyons everywhere, I've looked at clouds that wa  
y.  
But now they only block the sun, they rain and snow on everyone  
.  
So many things I would have done, but clouds got in my way  
I've looked at clouds from both sides now from up and down and  
still somehow  
It's cloud illusion's I recall, I really don't know clouds at a  
ll.

Tears and fears and feeling proud to say I love you right out l  
oud  
Dreams and schemes and circus crowds I look at life that way  
But now old friends are acting strange. They shake their heads  
they say I've changed  
Well some thing's lost and some thing's gained from living ever  
y day

I've looked at life from both sides now from win and lose and s  
till somehow  
It's life's illusion I recall. I really don't know life at all,

I've looked at love from both sides now, from give and take, an  
d still somehow, it's love's illusions I recall  
I really don't know love  
don't know love  
don't know love..... at all
