Both Sides Now

John Barrowman

Rows and flows of angel hair, and ice cream castles in the air

And feathered canyons everywhere, I've looked at clouds that wa y.

But now they only block the sun, they rain and snow on everyone

So many things I would have done, but clouds got in my way I've looked at clouds from both sides now from up and down and still somehow

It's cloud illusion's I recall, I really don't know clouds at a 11.

Tears and fears and feeling proud to say I love you right out loud

Dreams and schemes and circus crowds I look at life that way But now old friends are acting strange. They shake their heads they say I've changed

Well some thing's lost and some thing's gained from living ever y day

I've looked at life from both sides now from win and lose and s till somehow

It's life's illusion I recall. I really don't know life at all,

I've looked at love from both sides now, from give and take, an d still somehow, it's love's illusions I recall

I really don't know love

don't know love

don't know love..... at all
