

I Made It Through The Rain

John Barrowman

We dreamers have our ways
Of facing rainy days
And somehow we survive

We keep the feelings warm
Protect them from the storm
Until our time arrives

Then one day the sun appears
And we come shining through those lonely years

I made it through the rain
I kept my world protected
I made it through the rain
I kept my point of view

I made it through the rain
And found myself respected
By the others who got rained on too
And made it through

When friends are hard to find
And life seems so unkind
Sometimes you feel afraid

Just aim beyond the clouds
And rise above the crowds
And start your own parade

'Cause when I chased my fears away
That's when I knew that I could finally say

I made it through the rain
I kept my world protected
I made it through the rain
I kept my point of view

I made it through the rain
And found myself respected
By the others who got rained on too
And made it through

I made it through the rain
I kept my world protected
I made it through the rain
I kept my point of view

I made it through the rain
And found myself respected
By the others who got rained on too
And made it through, and made it through
And made it through
