## I Made It Through The Rain

## John Barrowman

We dreamers have our ways Of facing rainy days And somehow we survive

We keep the feelings warm Protect them from the storm Until our time arrives

Then one day the sun appears

And we come shining through those lonely years

I made it through the rain
I kept my world protected
I made it through the rain
I kept my point of view

I made it through the rain
And found myself respected
By the others who got rained on too
And made it through

When friends are hard to find And life seems so unkind Sometimes you feel afraid

Just aim beyond the clouds And rise above the crowds And start your own parade

'Cause when I chased my fears away
That's when I knew that I could finally say

I made it through the rain I kept my world protected I made it through the rain I kept my point of view

I made it through the rain
And found myself respected
By the others who got rained on too
And made it through

I made it through the rain I kept my world protected I made it through the rain I kept my point of view

I made it through the rain
And found myself respected
By the others who got rained on too
And made it through, and made it through
And made it through
