

## One Night Only

John Barrowman

You want all my love and my devotion  
You want my loving soul right on the line  
I have no doubt that I could love you forever  
The only trouble is, you really don't have the time  
You've got one night only, one night only  
That's all you have to spare  
One night only, let's not pretend to care  
One night only, one night only  
Come on big baby come on  
One night only, we only have 'til dawn

You want all my love and my devotion  
You want my loving soul right on the line  
I have no doubt that I could love you forever  
The only trouble is, you really don't have the time  
You've got one night only, one night only  
That's all you have to spare  
One night only, let's not pretend to care  
One night only, one night only  
Come on big baby come on  
One night only, we only have 'til dawn  
In the morning this feeling will be gone  
It has no chance going on  
Something so right has got no chance to live  
So let's forget about chances, this one night I will give

One night only, one night only  
That's all you have to spare  
One night only, let's not pretend to care  
One night only, one night only  
Come on big baby come on  
One night only, we only have 'til dawn
