Right Here Waiting For You

John Barrowman

Oceans apart Day after day And I slowly go insane I hear your voice, on the line But it doesn't stop the pain If I see you next to never How can we say forever

Wherever you go, whatever you do I will be right here, waiting for you Whatever it takes, or how my heart breaks I will be right here waiting for you

I took for granted, all of the times That I thought would last somehow I hear the laughter, I taste the tears But I can't get near you now Oh can't you see it baby, You've got me going crazy

Wherever you go, whatever you do I will be right here, waiting for you Whatever it takes, or how my heart breaks I will be right here waiting for you

I wonder how we can survive, this romance But in the end if I'm with you, I'll take the chance

Oh you can't see it baby You've got me going crazy

Wherever you go, whatever you do I will be right here, waiting for you Whatever it takes, or how my heart breaks I will be right here waiting for you

Waiting for you

Waiting for you
